and mention Magic in Teaching for a special \$129 rate!**

**CALIFORNIA INSTITUTE FOR NURSING & HEALTH CARE**

*Optimizing the health of Californians through nursing excellence.*

**Magic in Teaching**

***Innovative Strategies in Simulation, Technology  
and Learning Science***

**March 10 & 11, 2010**

**Sheraton Gateway Los Angeles Airport**

**Program Objectives:**

**Upon completion of this continuing education program, the participant will be able to:**

- Identify innovative strategies for curriculum development.
- Understand linking patient safety to nursing education at all levels.
- Describe how the nurse educator is the newest stakeholder in nursing education.
- Understand the accountability of nursing educators in preparing students for the practice setting relative to patient safety.
- Identify new options for creative teaching strategies in the classroom and clinical settings.
- Describe how Oregon Consortium for Nursing Education's transformation of clinical education is changing nursing education.
